Derek

Green Cove Springs Artist

Hello, I'm an Indiana native who's been tattooing for 20 years. My specialty is American traditional, neo traditional, and new school. watercolor, mandalas, animals, floral, and Japanese are also styles I tattoo a lot and excel in. I don't limit myself to one style, but if I were to limit my style to two words, they would be "bright" and "bold". I'll put 100% into making you happy and creating a beautiful piece of artwork that you'll cherish for years to come. Nothing is too big or too small but let me create custom art for you! I look forward to seeing you in my chair!
